In the case of Talkad Municipality, demands were issued by this office for the years 1928-29, 1929-30 and 1930-31 The President, Talkad Municipal Council replied in his letter No 83 dated 27th June 1930 pleading inability to pay the medical contribution for the year 1928 29 and 1929 30 for want of sufficient funds

The Deputy Commissioner was again reminded in this office letter No 611/A II dated 7th April 1931 and No. 383/A ii dated 10 th December 1931 and he has instructed the President of the Municipality in his Memo No L.Dis on D 3-2457/31 dated 19th December 1931 to make immediate arrangements for payment of the medical contribution

Letter No D3. 4136/30 dated the 8th April 1932 from the Deputy Commissioner, Mysore District furnishing the information called for and soliciting orders in the matter of waiving the arrear contribution payable by the Talakad Municipal Council. 160

The disparity between the budget of income and the actual realisations during the past three years is explained in the Resident report of the President Talakad Municipality, as having been due to a considerable fall of revenue under the sale of lands (in connection with the floods of 1924) and in the collection of mohatarfa arrears of mohatarfa taxes, the outstanding sums due therefrom being Rs 2964-13-0 and Rs 2308-10-4 respectively. It is also stated in the report that the recovery of the said arrears was much affected by the present financial depression and that efforts are, however, being made for the recovery of the sums. Remission of contribution payable by the Talkad Municipality towards the Local Fund Dispensary.

With reference to correspondence ending with your letter No.L 6021 Ml. 36-30-158 dated 20th February 1932 enquiring why there has been great disparity between the budget of income and the actual realisations every year, I have the honour to state that the reasons for the difference have been set forth in detail in the report No. 78 dated 27th March 1932 from the President which is herein enclosed for kind perusal It will be seen therefrom that there is a considerable fall of revenue under "Sale of lands and other items"

A statement showing in detail the arrears to be collected is also enclosed as required in your letter under advertance.

I request that early orders of Government may kindly be obtained in the matter of remission of contribution.

With reference to your Unofficial Note No. 510/A.11 dated 13th February 1932, in regard to the recovery of the contributions due by the Talkad Municipality for the years 1928-29, 1929-30 and 1930-31, on account of the charges for the maintenance of the Local Fund Dispensary at the place, I am directed to observe that as far as Government can make out timely action was not taken in your -- office for the adjustment of the contribution each year as it fell due and that this remissness in not carrying out the instructions laid down in Government Order No. L. 6827-47/Med. 129-21-17, dated 5th April 1923 has led to the accumulation of the arrears with the result that the Municipality pleads inability to pay the heavy sum. I am to add that strict enforcement of the instructions on the -- subject is necessary both in the interests of Government and of the Municipalities.

I have the honor to be,
Sir,
Your most obedient servant,

For General Secretary to Government.
